The Catholic Children's Aid Society of Hamilton is hosting an Online Information Webinar on Fostering and Adoption.

This webinar will provide an opportunity for potential foster and adoption parents to learn about the various fostering and adoption opportunities available to them through the agency. The webinar helps to inform and recruit more people to open their hearts and homes to a child in need of a safe and loving home life.

To register, please contact the Foster and Adoption Recruitment Coordinator, Niamh O'Flaherty by phone at 905-525-2273, or by email at Niamh.oflaherty@hamiltonccas.on.ca.

Fostering and adoption is more important today than ever, urges Bishop Douglas Crosby. The Society is currently experiencing a shortage of foster homes and there is a critical need for families who would be open to fostering infants (children under 5) and adolescents (children and youth between 12 and 18).

Please consider opening your home and heart to a child in need with the Catholic Children's Aid Society of Hamilton.
