Dear Parent(s)/Guardian(s), Family, and Friends:

Many things have changed over the past few months; however, our fundraising needs remain a priority in order to purchase technology equipment to support student achievement and innovation with learning. Our Catholic School Council has decided to run a contactless program, offering two product lines that families can purchase online to ship directly to your home or the home of your family and friends across Canada.

Our online stores are open beginning Tuesday, April 6 through to Friday, May 14.

Recipes in a Jar

We have found another excellent product line we can sell from an online store created just for our school with all purchases shipping directly to the purchaser's home. Orders of 6 jars or more will ship for free.

And, we can benefit families who are less fortunate in our community as Recipes in a Jar donates one meal portion to our local food bank for each jar sold!

These beautifully packaged products in reusable mason jars make great meals and treats for your family (pets included!) and sell for just \$12 each.

Our school profit is **\$3.60/ jar.**
